One reader wishes his cock could be in place of that vibe.

Another Virgin Steps Forward

Dear Virgin Territory,

I thought it was very nice of you to try to help one of your fellow readers get laid in the letters section of Feb. '15. I wish I had some advice to offer, but sadly, I too am a virgin at 46 years old. I have thought about ordering an escort to just get it over with, but something about it does not feel right. Plus, I don't have that kind of money.

I just wanted to let reader J.H. know that he's not alone in being an older virgin. I hope other people write in with advice, because I need it too! I have tried to talk to girls, but I never seem to get anywhere. A buddy of mine suggested Internet dating, but I'm not sure about it yet. If there were any girl in the Feb. '15 issue I could lose my virginity to, it would be Ariana. She has that wholesome girl-next-door look that I like. I'm looking forward to seeing more of her and reading responses to J.H.'s letter.–J.G., Escondido, California

Dear J.G.,

Sorry to hear you've still got your man-cherry. We hope you lose it soon. For now, enjoy this bonus photo of the lovely Ariana.

Lipstick Nipple Photos

Dear Virgin Territory,

I would like to thank you for the schoolgirls pictorial Voyeurism 101 in the Feb. '15 issue. Seeing them all lined up with their bums showing was pretty neat. I would like to suggest that maybe you could include an occasional photo of girls with bright red lipstick on their nipples and/or applying lipstick to their nipples. This would be a nice little kink I don't think a distribution service would have a problem with. I realize some may think it's cheap looking but the right photo with the right girl wearing it can be very exciting.

I recently ordered *Flat & Fucked 7* and *After School Slut Club* for the sake of seeing Trinity, Gina, Lolly and Alaina. It was great except for one thing. Why does SCORE have to stick with the same male models year after year? That curly dick English guy was running his mouth a lot with Alaina. And I thought it was nothing but distracting. It would have been one thing if he prompted her to say something sexy or engage in any acting skill she may have. But she said very little. Plus I had to watch him fuck Trinity. I realize getting female models with both looks and acting skills is a great challenge,

We don't often get this many cotton tails in one shot.

but that doesn't mean you can't try some creative writing to emphasize a female awakening or at least give her something sexy to say in response. You have to emphasize female sexuality. There aren't many of us buying DVDs that care to listen to his sound effects while he enjoys himself. In fact, it's a deterrent for me to buy more dvds. I am totally sick of seeing Juan Largo, JMac and that curly dick guy. If I never saw them in the magazines or DVDs again I would be totally happy. Is SCORE really going to have them fuck generation after generation of new models? Use guys that are generic, anonymous and don't talk too much so your customers can have their fantasies and otherwise forget about the male models. I suggest you rotisserie all new male models right out the door within one year. I hope this email gets shared with the editors of *Voluptuous* and *SCORE* as well. I think lipstick on the nipples of a big chested girl would be a nice

Charli has just soaked the patio with her piss! We wish we could show you her stream in the mag.

kink as well. Keep up the good work!–J.H., via email

Dear J.H.,

Thanks for your feedback. The lipstick on the nipple kink is an interesting idea we may implement soon. Would you mind telling us just what it is about that kink that turns you on? As for our male talents, we too would like a larger pool to choose from. However, finding quality male models in the South Florida area is an even bigger challenge than finding female models. Believe it or not, it's a tough job. We appreciate your patience while we search for new talent to add to our roster.

Pee Party

Dear Virgin Territory,

Going back 75 years (more or less) when my brothers and sisters and I were getting potty trained, urination was often referred to as tinkling. So when I purchased a copy of *18eighteen* and saw the title to one of the pictorials, Charli's "Twinkle Twat", I thought all my birthday wishes were coming true, I'd finally view a pictorial with photos of a girl peeing. Big disappointment. It certainly borders on false advertising.

However, Charli and all her photographs were positively, beyond any shadow of a doubt, fantastic! I think that Charli and the photographer should each get a bonus. I hope that in the near future you can talk Charli into doing another photo shoot and include a few of her peeing. The pictorial mentions seeing her pee by going online. This old man lives on social security and pension and can't afford the extra monthly payment of going online. Charli is a girl I'd some day like to meet, clothes on or clothes off. She looks like a happy person, with just a touch of shyness. Is she in any videos not involving guys? Charli is a goddess! A fairy tale princess. If she were in a fairy tale, she'd be riding a unicorn.

In my younger days, several girls have let me watch them pee in the bathroom, in the yard and on the beach. I found it to be a very personal, private and pleasant experience.

If Charli does another photo shoot (with or without peeing), to ensure I

don't miss it, this morning I phoned in a one-year subscription to *18eighteen* magazine.

I recently watched several squirting videos. Squirting and peeing are as different as night and day.

Thank you for all the Charli photos.–L.J.T., Guys Mills, Pennsylvania

Dear L.J.T.,

We would love to be able to run pee photos in the magazine, however we cannot due to censorship issues. Our magazines would be rejected in certain countries if they featured photos of urination. If you would like to see one of our girls peeing on video, check out Jennifer's scene in the movie Sex Tutor, *available for order on page nine. Although we must advise you, there is a lot of boy-girl action in this movie!*

Bravo for Busty Teens

Dear Virgin Territory,

I've got to say, I don't mind you including "busty" girls in *18eighteen*. Then again, I also purchase *SCORE*. But it really is so annoying when your readers complain about too many busty girls in your magazine. You do not include that many, and variety is the spice of life. That being said, your March '15 issue was filled with a few delicious teen titters. Alli is my favorite. Not only does she have a juicy rack, but her figure is amazing. I'm mesmerized by her blue eyes. Stella is another babe with nice tits and a slender body. She had me salivating over her hangers. The smaller-chested girls were also lovely, like Aubrey, Alex and Alina. But I just wanted to give a hand to the busty girls.–T.R., via email

Our readers tend to prefer tiny tits, but who'd deny busty Alli?

Dear T.R.,

For the most part, we're a flattie mag. But that doesn't mean we'll turn down a cute busty teen when she comes our way. *To see more of Alli, check out her pictorial on page 88.*

Mindy's Subtle Allure

Dear Virgin Territory,

Although Mindy was buried in your March '15 issue, she caught my eye. I can see how she may be overlooked compared to the other stunners in the issue, but she definitely turned me on. The fresh face, coy flirtiness and messy, blonde hair give her a subtle allure. I'm sure she'd be good for a romp between the sheets with how natural and at ease she seems showing off her body. Great photo set, great model.–W.D., Cincinnati, Ohio

Dear W.D.,

That is exactly how we felt about Mindy, too. Glad we see to eye! 18

Mindy's playful attitude is what makes her memorable.

Sammy

Eating pussy is more fun than going to class!

Sit through a boring lecture under fluorescent lights on a gorgeous day like this? As if! Aubrey (the brunette) has a much better idea: skip class and tan by the pool! She has the hots for Sammy's pussy and was set on finally getting a taste of her sugar. So Aubrey gets things started with sunblock. There's lots of rubbing and touching between the two, and the next thing Sammy knows, her tits are out and she's kissing Aubrey.

Aubrey

Sammy is a delicious first-time lezzie!

"I was really nervous at first," Sammy said. "But Aubrey really helped me to relax. This was my first time ever being with a girl, and it was so nice. Aubrey's lips were so soft (both pairs) and I loved squeezing her boobs." And what did Aubrey have to say? "I loved how shy Sammy was. I felt like I really got her to come out of her shell."

The girls have taken their friendship to the next level.

This definitely won't be Sammy's last lezzie encounter. "I was always curious about being with girls, and now I know that I like it. I'm looking forward to doing it again. Hopefully with Aubrey. I see us getting a lot closer now." Aubrey is the more experienced of the two, with both cock and pussy, and she's just as down to fuck. "Hell yeah I'd fuck her again! Sammy's pussy tastes just as sweet as it looks. When I was between her legs licking away, she creamed all over my tongue and chin and I couldn't get enough. It was pretty hot to know that I could turn her on so much. And for a first time lezzie, she fingered and licked my slit pretty damn well. She's got potential!"

Private Audition

When an indie flick started shooting in her hometown, starring an actor she spent nights fingering herself to, Deena had to get a part. She was willing to do whatever it took to get a...

"Cut! Oh for chrissakes, cut cut cut!"

Deena shrank back, watching Greg flip out on…on…what was her name again? Oh yeah, Becca. Deena didn't like the girl, and was pretty sure the actress felt the same way about her. After all, it wasn't Deena who kept fucking up the scene.

Not that there was much to fuck up. She was just a walk-on. Wasn't even getting paid. But she'd begged her way onto the film, and now she was about to get her chance. Her big chance, if she played it right. All she had to do was enter the frame with Karen; Dave–the guy playing the dumb jock–would jump out, and they'd squeal like they'd been frightened. Or, at least, they were supposed to squeal. Deena, though, had other plans.

Greg finally calmed down, Becca flipping him off behind his back. The crew got ready, and they started over…for the fifth time. Deena and Karen bumped knuckles. Deena liked Karen. They'd become fast friends. Mostly because Karen thought Becca was a royal bitch, too. Something most of the cast had in common. Deena hoped Jason Drew felt the same. Jason was the co-lead, the reason Deena had tried out for the flick in the first place.

"Action!"

"Where is he?" Becca whined, hamming it up to the point Deena thought Greg would yell Cut! Again. She and Karen waited for their cue. Down the hall, a production assistant gave the thumbs up.

"What're you two doing here?" Becca sneered. No acting necessary. "Come on. You think you've got a chance at–"

Dave hit his mark and howled like a ghoul. Karen jumped back, eyes wide, and let out a squeaky yelp.

Deena, on the other hand, opened up her throat like she was sucking a ten inch cock, and screamed.

For a beat, there was nothing. Utter silence. Dave, though, went with it. He pointed at Deena's nonexistent chest and ad-libbed. "Gotcha Sissy!"

Becca scowled–that part was in the script–and put her hands on her hips–which wasn't. Deena could tell she was about to say something bitchy when Greg said, "Cut."

Everyone turned. The director was beaming.

"Never would've guessed you had a set of lungs

like that," he said. To the crew, he added, "Take five."

Two hours later, Deena watched from the shadows as Jason exited Greg's trailer, looking none-too-pleased. Deena knew why. During the break, Greg had asked her if she had any real acting experience. She told him about a starring role in the high school drama, a cable TV ad and a part in another horror film that had never come out. Truth was, though, lying to Greg was the only acting she'd ever done. But she must've done okay, because he told her he'd give her Becca's role–if she could handle it. She promised that she could. Then again, she'd have promised anything, because now she'd be playing Jason's girlfriend. And, Jason was fucking h-o-t. Hot with a capital H. So hot, that she'd quit her summer job for the movie. Saving up for college could wait. Hell, she'd just turned eighteen a few weeks ago. She could always start school in January.

But Jason Drew? She wouldn't be able to fuck him come January, she was sure. He was starting to get noticed. He'd gotten some festival awards, and a movie he had a small part in was in theaters right now. Deena was willing to give up college altogether, just to suck his cock. She felt confident. If he let her blow him, that wouldn't be all they did…

She gave it a minute, then walked over and knocked on his door. He opened it, frowning at her.

"What?"

Deena held up her script.

"Wanna…run some lines?" she asked sheepishly. Now that they were face-to-face, she felt jittery. God, he looked even better in person. She wondered if he could smell her pussy–it sure was dripping enough.

"I guess," he said after a few seconds. Deena didn't blame him. She'd just stolen a major part from an actress with real credits and grapefruit-sized tits. Deena was flat as a board, had an ass like her little brother and her sexual experience could be summed up in a single sentence including the words: masturbation, vibrator and French kiss. But she'd done everything she could think of to be standing where she was, and survived Jason giving her the once-over without her knees knocking. Good thing, too. Knocky knees would've made her oozing vagina sound like someone was squeezing a sponge in her bloomers.

Jason led her into the tiny main room and popped the 'fridge.

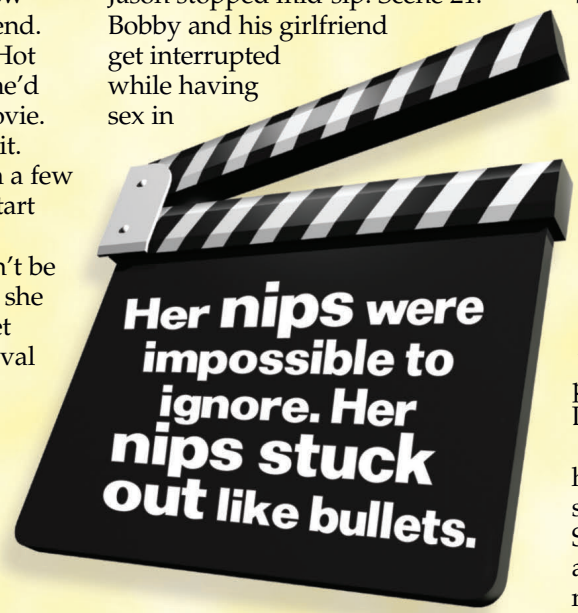
"Iced tea?" he offered, grabbing one for himself.

"No thanks," she replied, preferring to think of guzzling something a little bit warmer…and saltier.

Jason flopped down on the couch with a thud, pointing at the script she was holding.

"I'm pretty solid," he told her. "Where do you want to start?"

"How about scene 21?" she asked. Jason stopped mid-sip. Scene 21. Bobby and his girlfriend get interrupted while having sex in the woods.



"Just…pick that one at random?" he asked.

"Come on," Deena said, reciting from the script. "No one's around. And I need it. I need it so bad…"

There was no doubt. Jason was impressed. She tossed her copy on the table, putting her hands on her hips just like Becca.

"What? You're not afraid, are you? You don't believe that story they told back at camp, do you, Bobby?"

Her delivery was spot-on. She was taunting him but good. And, despite having no tits to show off, she stuck her chest out anyway, making sure to keep her t-shirt pulled tight. Her nips were impossible to ignore. Her nips stuck out like bullets.

Now, Deena gave him the once-over, letting her eyes linger on the rising bulge in his pants.

"Nah, that old story's just make believe," he said, hitting his line with only a moment's hesitation. Deena was moving closer now, still eyeing his crotch. In the script, they were supposed to be spreading out a blanket. But Deena skipped right to the action, peeling off her shirt like a horny high school cock-tease finally ready to give it up. Her bare buds caught his eye. In the script, Lauren gave Bobby the coy look as she unfastened her bra. Deena didn't even own one.

"Nice," Jason said, staring. Deena wasn't sure if he was acting or not. He looked genuinely turned-on by her lack of boobs. He was fully erect now, Deena practically standing between his legs.

"So, what're you waiting for? I don't bite, you know," Deena said, delivering the line. Then adding, "But I do like to suck."

"Yeah? Show me," Jason said, disregarding his lines. Deena complied, dropping to her knees and tearing open his pants. She yanked down his shorts so hard she heard a seam tear. Jason didn't care. His meat stick stood at attention, pre-cum dribbling from his pinched dickhole. It flopped against Deena's chin.

She wrapped her fingers around his pole, Taking charge even though she had no clue what she was doing. Sure, she'd had enough dreams about Jason Drew to occupy her nights for the past six months. But she was winging it now–flying by the seat of her pants. Pants she couldn't wait to strip out of.

Erica, a friend who'd been dating a guy since summer, had tried to explain what cum tasted like. Erica said she liked it, and the feel of semen gushing down her throat got her incredibly wet. She loved to swallow, but did tell Deena that it might take a little getting used to.

Deena pressed her lips to Jason's slimy cockhead, slurping up a fat drop of his stuff. She wasn't sure what she thought. Erica was right. It tasted…different. It wasn't bad, though. It was interesting.

Not that she would've stopped. Not for anything. She reached into his shorts and cupped his balls, feeling the weight of them. Taking him all the way into her mouth, Deena

FOXY
RISQUE RUSKI

Welcome back, Foxy. How've things been now that you've posed for us a few times?

"They have been good! I have been traveling through Europe for photo and video shoots, and I have been meeting all kinds of people and having lots of hot sex. I feel more sexually open now, and I have learned what men like and also what I like. And that is a man who knows when to be gentle and when to be rough. I don't want too much of one or the other, but just the right mix. I also like to experiment and try new things. Too much of the same bores me. Most men seem to feel the same way, and they enjoy my adventurous nature."

What have you experimented with lately?

"I have been having fun with ass play and anal. One day I was looking at my asshole in the mirror and thinking that it looks so pretty, it would be a shame not to use it during sex. This was a good decision because I have amazing orgasms from anal play."

That's hot! What other naughty things have you been getting into?

"I have also been in a few three-ways. I have been with a man and a woman and also with two men. When I'm with a man and a woman it's more gentle, and the other woman and I are usually focused on making the man happy. When I'm with two men it's rough and dirty. I love feeling like such a horny slut when I'm being fucked in my mouth and pussy at the same time. I would like to try a three-way with all girls, but we would definitely need a strap-on."

MARISSA
STUDY HER CUNNY

Marissa, do you like to show off your body?

"Yes, more than ever. Before I was kind of shy because I'm so flat. I thought you needed to have big boobs to be hot, but I've been getting over that. Now I like to wear tube tops with no bra so that my little nips are poking out. And now that I finally shaved my pussy I'm not afraid to wear tiny shorts or really skimpy bikini bottoms to the beach. I'm getting in touch with my inner exhibitionist."

Have you ever flashed anyone?

"Yes. I tried to play it off like it was an accident, but I totally did it on purpose. I was at a pool party and we were all getting rowdy. A girl and I were on two guys' shoulders chicken fighting. I hoped that she would pull my top off, but that didn't happen so I knew I had to take matters into my own hands. Eventually we fell in the water and I used that as an opportunity to undo my bikini top and bottom. The bottom was tied by strings at the side so I just pulled them loose. I got out of the pool and my whole bathing suit fell off and I stood there wet and totally naked."

What was everyone's reaction to your glorious, naked body?

"Their jaws dropped and one of the girls screamed, "Your bikini!" I looked down and started laughing and pretended like I was embarrassed. The truth was I got a thrill out of flashing everyone. I wished we could all get naked in the pool but everyone at the party was too much of a wuss. So I tied my bathing suit back on and got back in the water. Some guy was being all cuddly with me and I noticed he had a hard-on. We didn't end up fucking, but the fact that I got him hard made the whole thing worth it."

Win Marissa's Panties!

We know you want them. To enter the giveaway, send letters to 18eighteen, 1629 NW 84th Ave, Doral, FL, 33126. You can also send email to letters@eighteen.com. A winner will be chosen at random. Please be sure to include a return address. Deadline for submissions is June 12, 2015.

Behold this Baltic beauty.

Eastern Europe never lets us down. Barbi is from Lithuania, and although she doesn't speak English, she knows how to get her message across. No matter what language you speak, a spread pussy always means she wants your hard-on.

Barbi is as mysterious as she is sexy.

We don't know much about this beauty except for a few details. She was born in a resort town on the Gulf of Riga, goes to a local university and has practiced ballet for many years. Other than that we couldn't tell you much about her, but that only adds to her allure. In the absence of details she can be whatever we want her to be. A nymph, a virgin, a tease. We'd like to think that by the way she spreads her perfectly shaved pussy and poses so comfortably that she enjoys sex. No matter who she is, we're glad to have a looker like her on our pages.

SATINE
WHATTA BUSH!

Well, Satine, there is no doubt that you are a natural blonde!

"The sheets match the curtains! From what I've been told not many girls have a blonde bush. I figured if my pube color is a rarity, I might as well maximize that and grow it out fully. I know my big bush is not for everyone, but there are plenty of blokes who fancy it. They tell me that I have a golden cunny, and it's funny because it's true!"

Has anyone been shocked by your bush?

"One bloke was quite taken by surprise. Usually I warn them before, but I didn't tell him anything because I wanted to see his reaction. After he got over the shock he really liked it. He told me my pubes converted him into a bush lover!"

OLIVIA
SULTRY SCHOOLGIRL

Young, supple and ready to cum!

With her big eyes, long and wavy hair and full breasts, Olivia embodies sex appeal. As a Ukrainian studying abroad in the U.S., she was nearly overwhelmed with the amount of suitors she had at the time we shot her. “In Ukraine, I’m just a normal girl. Here in United States I get asked on dates all the time. I like the attention, but I am a little nervous to date.”

Why are you nervous? You shouldn't be. You're amazing!

"American culture is foreign to me. I do not know if I will have anything in common with the boys who ask me out. I don't know many American movies or musicians. Sometimes they say jokes I don't understand. The girl who is hosting me tells me not to worry about it, and that I do have something in common with them–sex! I've only been with one man, but I am open to being with more. Now that I am getting asked out a lot, I am more horny than ever. I touch myself every night thinking about which one of my guy friends would give me the most pleasure in bed. I don't want to keep fantasizing; I want to find out for real!"

Has your host given you more advice?

"Well, she asked me if I had a bush, and I did not know what she meant. Then she explained that she meant pubic hair! She told me I should shave it all off because Americans prefer shaved pussy. So I did it, but I don't know if I like it. I think I am going to grow my bush back. To me it is natural, and a man should still like me as I am. It is interesting to see what my pussy looks like bald, but I miss having my soft hair down there."

JENNIFER
& SASHA
KITTEN & COUGAR

It's time for hot teen sex lessons!

Guys, you already know cute teen Jennifer. Now it's time for you to meet Sasha. She's a horny MILF and former 90s porn-star who has returned to teach teen girls how to fuck in the DVD *The Sex Tutor* (order it on page nine). You're going to see her giving sex lessons to some of the cutest girls in our mag. This month, Jennifer is the lucky student engaged in a three-way with Sasha. The MILF shows the teen how to suck cock, pushing her head down on JMac's massive prick until she chokes. Sasha also gives Jennifer her first taste of mature pussy. "The whole thing was so hot," Jennifer said afterwards. "I was intimidated at first because I'm just this girl, and Sasha is a mature woman who knows how to fuck. But she told me exactly what to do, and I made sure to listen."

Jennifer, what was it like to eat pussy and get fucked at the same time?

"It was fun! I'm kind of a shy, submissive type of person, so Sasha giving me directions turned me on. I wanted to make sure I did a good job licking her clit, and it was kind of hard to concentrate with this big cock fucking my pussy! I just let myself feel everything, and I was totally in the moment. At one point, they both picked me up and cradled me in their arms while JMac screwed me. That was another first for me!"

How did you like sharing his load?

"Oh my god. That was the hottest, dirtiest thing I've ever done! He came all over Sasha's pussy and asshole, and I licked it out of her crack. But she wanted to get a taste of it too, so we kissed and I gave her some of his cum from my mouth. It tasted so good to have his cum in my mouth and then taste my pussy juices on her lips. After that I felt like I had accomplished something big."

PRIVATE AUDITION

shut her eyes, and prayed she would be good at this.

Like acting, Deena had never given head before. She'd read about it. She'd downloaded some dirty videos showing other girls doing it. But she'd never even seen a guy's cock with her own eyes, much less touched one. Feeling Jason's engorged dick rubbing the inside of her cheek gave her a serious rush. Head rush? She was thinking, taking three more inches and closing her mouth around him, his hardness making her cunt clench. She was going to blow him, to be sure. But she wanted more. Her pussy craved more.

"Oh," he mumbled, leaning back, his throbbing prick filling her mouth. "Yeah. Yeah, Dee, suck it."

Deena went down on him with a rookie's enthusiasm and a budding actress's bravado. Never sucked a cock before? Act like you have. Never tasted nut butter? Act like you swallow like a pro. Never deep-throated a guy who qualified as 'totally hung'? Act like you'd been expecting to gag all along.

And gag she did. Deena had been going along pretty well, up until about the seven inch mark. But now, with Jason giving little hip thrusts and forcing more cock into her mouth than she knew what to do with? She couldn't help herself. She gagged, noisily, quick-stroking him while she snorted breath through her nose.

The sound of it, her choking on his boner, was so nasty, so fucking dirty, she could tell that he was excited by it. The thing was–she was excited too. So excited, she forced his length down until she was nose-deep in pubes, his sac slapping her in the face, his precum lubing her esophagus as she worked to drain his balls.

"Dee…oh, don't stop. Ungh. I'm gonna blow my load, babe. Fill your mouth with it."

"Yeah?" she answered, coming up for air, hands wrapped around Jason's shaft. "Don't hold back for me, sexy. I want to taste it. I'm going to drink your jizz. Every…last…drop."

She grabbed his hands and put them on the back of her head. She dragged his cock across her face, coating her lips with spooge.

"Do it," she demanded, licking his glans. "Fill my whole mouth."

Jason pulled her down onto his rod, thrusting into her throat with heightened intensity. Deena sucked for all she was worth, harkening back to Erica's words in the locker room.

"That first time…just…try to be ready. You won't be, but…try."

Deena wasn't. Jason's first spurt flooded out of his penis, running down her chin and–she was sure–shooting up into her sinuses. She pulled back, even though she tried not to. It was instinct now, nothing more. Survival mode.

He kept gushing. A stream of hot jizz sprayed her cheek. Another struck her forehead, getting caught in her hair, dripping down her nose. She tried to get him back in her mouth, now that she'd gotten down his first squirt, but something stopped her. Instead, she held his cock against her upper lip, jacking another rope of baby batter onto her face.

She'd caught on. She knew what had stopped her now. That look. That look in his eye as she let him give her a facial. He was hers, and she knew it. Cumming on her face was even better than jizzing in her mouth.

She'd just swallowed cum for the first time, and like Erica had promised, she was wetter than she'd ever been.

Not that she minded. She'd just swallowed cum for the first time, and like Erica had promised, she was wetter than she'd ever been. She thought the sheets she'd had to hide under her bed until her mom wasn't home so she could do her own laundry had been soaked. Nope. Her jeans were soaked. Her thighs were damp all the way down to her knees. She hadn't just held her own on her debut blow job, she'd aced it the way a dirty, little cocksucker should.

Jason got up, then gulped down half of his iced tea before offering her the bottle. She didn't want to wash his taste out of her mouth, but took a gulp

ALESSANDRA
HOE IN THE GARDEN

Wanna see her secret garden?

We don't know who does lawn work in a tiny skirt and a tank top, but we're glad Alessandra does. Because somehow it leads to her fucking. In this scene (watch the video online at 18eighteen.com), some dude shows up and Alessandra gets the party started by wrapping her pouty lips around his pole.

Both pairs of big lips get parted and filled!

If there's one thing Alessandra knows how to do, it's ride! She mounts this guy's cock in regular cowgirl and reverse cowgirl, giving us plenty of shots of her puckered asshole and meaty pussy lips. She puts in work, sliding her hips up and down and occasionally stopping to let her fuck buddy pound her. "I know some girls get lazy when they are on top," she said. "They just sit there and let the man do all the work. But I like to move around. I like to fuck the guy, not just let him fuck me. I have strong legs, and I know to use them when I ride."

Do you enjoy having sex outdoors, Alessandra?

"Yes, I do! Especially when the weather is warm. In Russia, we have to take advantage of the warm weather when we can. It's so nice to feel the sun and wind on your tits and ass. It's all very natural. I've had sex many times during picnics. I like romantic outdoor dates like long walks and picnics. Some guys don't like that stuff, but if only they would realize that being a little romantic turns me into a total slut. One of my favorite things to do is bend over on all fours to get fucked hard while I'm on a picnic. If a guy does something nice and considerate for me, like take me on a romantic date, I'll do something nice for him…like drink the cum from his cock! You can see that's what I did for my friend here because I was so turned on by being in the sunny outdoors."

anyway. He kicked off his pants, told her he'd be right back, and stumbled into the bathroom.

Why not? She thought, looking at his discarded clothing. She took off her jeans and, not wanting to look too presumptuous, waited for him in nothing but her bloomers.

Jason returned with a wet washcloth, which he used to clean the jizz off her face. As he did, Deena fondled his balls till they got tight, feeling his flaccid cock starting to respond. She stroked him hard again.

"Those are soaked," he observed, running his finger through the cleft of her camel toe. "Just take them off."

She squirmed out of them in a heartbeat, but still, not fast enough to be ready when he threw her legs open and dove in, tongue-first, into her steaming muff.

Deena gasped. Jason's tongue was strong, and he used it to part her succulent outer folds before probing her soggy entryway.

"Lick it," Deena moaned, crossing her ankles behind his head. "Eat me, Jason. Suck my clit."

But he held off, teasing her instead, dragging his talented tongue up through her cleft until he was just about to touch it, then descending again and attacking her oozing center.

"I wanna cum," she moaned, thrusting her fingers into his hair and forcing him deeper into her slot. "Eat me out! Oh, yeah, just…like…that!"

Deena was on the edge, mounting a crest she knew would be the biggie. Her fingernails dug into Jason's scalp, her breath coming in short, pre-orgasmic hiccups, when Jason thrust two fingers into her. His right middle finger, she believed, all the way into her pussy. His left, as deep as he could into her ass.

She exploded, Jason's lips ringing her throbbing clit while his tongue danced across her pink love-hump. She arched her back, driving her cunt up into his mouth, but he didn't even seem to notice. Instead, he curled his left middle finger and rubbed a particularly sensitive spot a couple of knuckles deep into her virgin butt.

Virgin butt? Hell, everything he was touching was virgin! When she went home to write about this in her

diary, she was going to have a long list of firsts to cross off.

She came again, her juicebox squirting fresh cream into his mouth and down his chin. His face looked like a Slip 'N Slide. He tickled her G-spot, producing a howl not terribly unlike the scream she'd unleashed on set.

Cum dripping down her thighs, Deena threw her head back. She wasn't sure how much more she could handle. Her snatch felt almost numb, her clit vibrating as if she had her favorite sex toy pressed against it.

"Unh-unh-unh…" she was saying. Or moaning. Or whatever it was. She couldn't tell, because she couldn't control it. She was on autopilot, with Jason orally controlling her whole nervous system.

Any second now. She could taste it, the way she still tasted his jizz on the tip of her tongue. Just a few seconds more and she'd–

Jason pulled his fingers free, leaving her back door begging for more. She tried holding his finger in her cunny, but her oily walls were too slick to keep him inside her. His mouth broke contact with her button, and she thought she'd pass out from the sudden disconnect.

Before she could ask what was wrong, the weight of him pinned her to the couch, unable to move, the breath squeezed out of her. He kissed her, tasting of sweat and slit-lube. She met his tongue with her own, the passion in it beyond anything she'd ever imagined. Making out? Sure, she'd done that before, with a couple of guys. And every time, thinking it would lead to more only made it hotter. Only, those clumsy, teenage make-out sessions hadn't led anywhere. A hand in her back pocket, maybe, or a guy pressing into her with his hard-on, still imprisoned behind his zipper.

Jason barely let her catch a breath before he entered her, driving into her with his jackhammer cock, the size of him making tears leak from the corners of her eyes. She thought he was big in her mouth? That was nothing compared to the way he felt inside her–really and truly inside her.

He shredded her delicate hymen, a somewhat startled look on his face when he tore through it. Deena felt just as surprised.

Did he really not figure out I was a virgin? she thought.

Chalking that up to her rapidly-

developing acting skills, she bit into his shoulder as he plowed into her, his length stretching out her untested man-milking muscles.

"Like it, Dee?" he asked, breathing hot into her ear. Her tongue fluttered between her teeth as she left a tiny hickey on his chest.

"Not bad," she giggled, running her nails down his chest.

He smiled down at her, giving his next few thrusts a little more emphasis. Deena feared he might tear through something else down there the way he was nailing her, but it felt too good to do anything but close her eyes and let him keep going.

Thump…thump…thump… went her ass, banging into the cushions. Jason gnawed his bottom lip, trying to prolong the rhythmic pounding he was delivering. Deena hoped there were a lot of sitting scenes coming up. If she had to run? There was a good chance Becca would get her job back. She wasn't going to be able to move after this pussy pounding.

She brought her leg up, letting it hang over the back of the couch, spreading her even wider open for him, her slippery lips grappling with his heavy shaft.

"Feel good that way?" Jason asked, slowing up to wait for her response. She tried to say yes. Failed. Left it at just a nod. Jason grinned wickedly.

"Yeah? How about like this?"

He lifted her other leg, resting it against his cheek. Then he positioned her first ankle the same way. Deena drew in a deep breath. With her legs up that way, it seemed impossible, but Jason was penetrating her even deeper. The added pressure along the backs of her thighs was making her sweet spot tingle. It almost felt like she was going to piss, but not quite…

"I-if you ever, stop acting," she managed, taking Jason's cock to the pubey hilt. "Y-you could always fuck for a living."

Jason laughed, leaning back, grabbing Dee's ankles again. This time, though, he was pushing them away from him, back, back…back over her head as far as they would go.

Everything changed. The angle at which Jason's huge prick was stabbing into her snug tunnel, the way his balls slapped against her taint, the way his knees were pressed into her ass cheeks. Wide-eyed, Deena took it all like a champ.

Having her ankles locked behind her ears felt incredible. The only weight she was aware of was the heft of Jason's hefty nut sac, which beat against her ass crack like an overfilled water balloon.

"I'm going to cum any minute," Jason announced, his words sending a trill of excitement up her spine. "When I do, I'm going to fucking shoot all over you."

Deena wasn't sure, but she thought she beat him to the punch. Her climax clamped down on his pole so tight she couldn't imagine it ever letting go. But Jason was able to pull out before it was too late. Grabbing hold of his monster cock, he began jacking huge wads of jizz onto her flat chest and belly. She palmed his balls while he shot, feeling them tighten every time he creamed on her. It went on for an awful long time.

"Cut!" Greg called, slapping his cameraman on the back. "All right, great job, everyone. That's it for today!"

Deena breathed a sigh of relief. There'd been a lot of second takes, but not too many thirds. All in all, she'd done all right. Jason gave her a fist bump after the last take and, while no one was listening, added.

"Feel like rehearsing some more after dinner?"

Deena knew she was blushing, but nodded. She licked her upper lip. Then, something over Jason's shoulder caught her eye. He turned to look.

"About dinner tonight," Deena said to Karen. Karen took one look at her and grinned. She knew the deal.

"No worries," she said, waving it off. "I know you guys need to rehearse. I get it."

Deena shook her head.

"No, I want you to come with us," she explained. "We all have a scene together, remember? Forty-six." She looked at Jason, who couldn't help but take in Karen's curvier form, ill-concealed in her high school gym clothes wardrobe.

"Yeah? You sure?" she asked, looking at Jason. Deena could feel his hard-on digging into her hip.

"Of course!" he agreed, giving Deena's butt a playful pinch. "We've got a movie to make."

For the night they spent rehearsing, Deena later wrote in her diary, it could've been a porno. 18
